

loinstd.

Hello Dear,

Thank you for buying this After Effect Template !

Zip contains AE file. It's really easy to customize :

1. Edit the effect in folder "#Render" < Layer < "CHANGE EFFECT HERE!!!"
2. Import your photo or video. Open the Scene Folder < "EDIT*" FOLDER < "PLACEHOLDER!!!" Drag your image into the comp and scale it as you need.
3. To change to color, open the folder "To Edit" to change color, select the layer named "COLOR EFFECT HERE!!!" and change the color to your needs
4. After that, render composition "#Render" on folder master edit to get the final result

Project features:

- Flexible control
- Easy to customize
- Fast render
- 100% After Effects
- After Effects CC20 and above
- No plugins required
